

ENVIRONMENTAL POLICY

The Directors of CCI Pope Pty Ltd, CCI FluidTech Pty Ltd and CCI Australia Pty Ltd are mindful of the importance of undertaking our normal operating activities while minimising any significant adverse environmental impacts of its activities on the environment.

The companies accept their responsibility and will ensure:

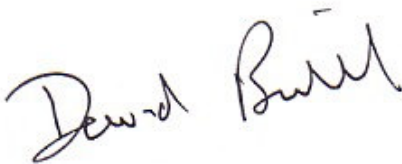

- Compliance to government, industry, customer rules and regulations.
- The efficient use of energy and appropriate technology.
- Effective and responsible waste management.
- Working co-operatively with customers and suppliers to identify opportunities to improve our environmental performance.
- Education and empowerment of employees.

Managers shall provide appropriate facilities and resources necessary to ensure the environmental impacts of its activities either at a CCI site or at a customer's site are minimized.

All employees shall co-operate with environmental programs.

Visitors and subcontractors shall comply with environmental programs and observe directions from CCI employees.

The aim of this policy is to get everyone involved in the process to ensure improvement to the overall corporate environmental performance, whilst maintaining a viable business.

David Butel
Chief Executive Officer
CCI Holdings Limited
